Wonderland

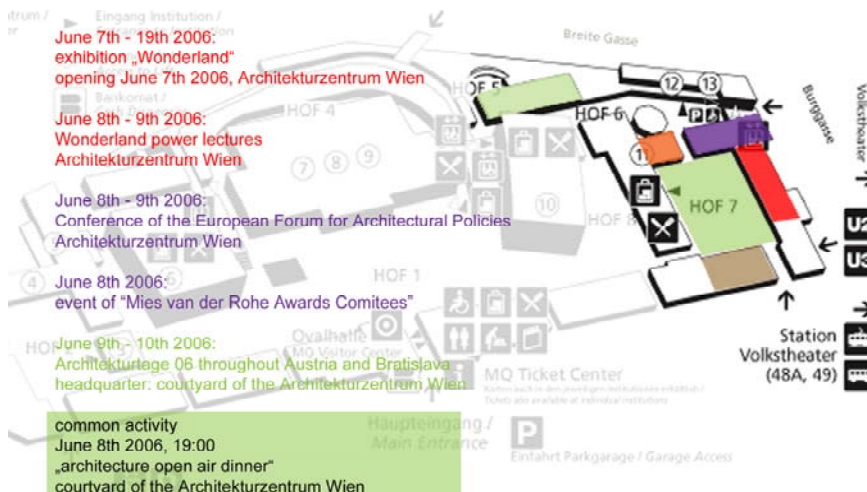

Wonderland is a growing network for young European architects which at the moment exists of 99 teams from Austria, Slovakia, the Czech Republic, Germany, the Netherlands, France, Italy, Croatia and Slovenia. Wonderlana offers 99 examples and answers regarding a changing architectural practice.
www.wonderland.cx

European Forum for Architectural Policies

The “European Forum for Architectural Policies”, which was set up in Paris in July 2000, is an intergovernmental network for cooperation between the different member states of the European Union on questions of architecture.
www.architecture-forum.net

Architekturtage

The Architekturtage will take place on the 9th and 10th of June throughout Austria and Bratislava. Open studios, architecture excursions, guided tours and lectures introduce the working environment and the tasks of architects. Have a look over an architect's shoulder, explore architecture on a walk through your local borough or come to a lecture about form and function. We invite you for discussion.

=====

>> POWER LECTURES <<

99 TEAMS, 2 Days, 4 Topics

Dear Team we would like to invite you to give a short lecture at the Architekturzentrum Wien (Az W - www.azw.at) and to be part of the big closing event in 2006.

We hope that as many teams as possible participate. At the moment you are asked to choose one of the 4 given topics and describe with a few words, maximum five sentences, what you are going to talk about - deadline 6th February 2006 - so that we can get the flyer (day program) printed in time. The length of each lecture depends on the number of applications we receive. We will let you know by the beginning of April.
THANKS

- 01. **MISTAKES**
Learning by doing
- 02. **SURVIVAL STRATEGIES**
behind the scenes - how to survive the first three years
- 03. **RELATIONSHIPS**
communication, mediation and conversations within the architectural realm
- 04. **THE BIGGEST LIE**
... or what you always wanted to tell an audience
