### Wonderland travelogue

Aside from the work of the 99 teams, which is shown in St.Veit/Glan, the exhibition in the Carinthian House of Architecture features exhibition posters and photo series about the individual venues of the European tour.

September 18th – October 1st 2006  
Opening hours: Monday – Thursday: 07.00 – 17.00, Friday: 07.00 – 12.00

### Wonderland lecture – SADAR VUGA arhitekti

September 20th 2006, 19.00

Sadar Vuga arhitekti was established 1996 by Jurij Sadar and Bostjan Vuga and presumably is Slovenia's best known architectural office today. In this lecture, they will give an insight into their work.

## >> WONDERLAND TEAMS – NEWS

### >> Barak architekti won competition

### >> nan architects and landscapes

#### won competition

nan architect and landscapes wins invited art competition for the University of Applied Sciences in St.Pölten, Austria. The proposal "im.PULS" reinterprets the main façade of the university as a multi-functional light screen by utilizing randomly generated patterns of pulsating light.

### >> osa – office for subversive architecture NEWS

>> Kunsthülle Liverpool

Greenland Street has invited the Office for Subversive Architecture to develop the first of their annual architecture commissions which will inhabit the roof of The Blade Factory.

>> decoration for 20th anniversary of Kunsthalle Schirn / Frankfurt am Main

On the occasion of the 20<sup>th</sup> anniversary of the Kunsthalle Schirn osa adapts the building for one day to a birthday cake.

>> The project plan06 takes up the existing ornament of the parking lot and continues it on the firewall along "KunstWerk" – a complex of ateliers. In addition "KunstWerk Köln" will show different projects of osa within an exhibition.

>> the osa project "london roof" will be shown at the exhibition:

"The Good Life: New Public Spaces for Recreation", featuring 70 works from around the world, curated by Zoë Ryan - Van Alen Institute. The show focuses on new urban projects –both small and large– as well as existing public spaces which are being re-envisioned.
